## COMPETITOR'S NOTES

CTT Regulation 17d - each competitor must sign on when collecting **and returning** their race numbers at the HQ. Any rider not signing off within a reasonable time of the finish of the event will be recorded as DNF.

Riders are required to wear arm numbers on the left upper arm during this event in addition to the large number on the lower back. They must be worn at the start of the event so as to be clearly visible to event officials and marshals. Riders should make every effort to continue to wear and display them correctly throughout the event. Any rider whose number is not visible to the timekeeper and checkers may not be given a finishing time. Make sure you shout your number at the finish, otherwise your time may not be recorded.

Riders must not make 'U' turns within sight of start and finish. Any rider observed making a 'U' turn in contravention of this regulation could be disqualified from the event. Any rider who makes repeated 'U' turns may be subject to disciplinary action.

Distance from HQ to start is 3.8 miles so allow adequate time. Please use extreme caution riding on the A49 - you are on the course so please ride in single file. Due to increased traffic levels at Prees Island riders are reminded to use caution on entering the roundabout. Any rider observed to be riding in an unsafe manner or disregarding the Highway Code may face disciplinary action.

Cycling Time Trials and the event promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard. In accordance with CTT Regulation 15 all junior and juvenile competitors MUST wear a protective hard shell helmet.

**CTT Regulation 14(i) - A WORKING REAR LIGHT**, either flashing or constant, must be fitted to your machine in a position visible to following road users and be active whilst the machine is in use. No working rear light will result in a DNS.

## COVID-19 SAFETY

Please ensure you adhere to the latest Government guidelines including the latest social distancing requirements at all times. **Do not attend if you feel ill in any way or if a family member has any symptoms.**

Please arrive at the start no more than 3 minutes before your start time and keep at least one bike length away from the rider in front. There will be no pusher-off at the start so all riders must start with one foot on the ground.

Riders' times will not be available at the event but will be published online via the CTT and SCCA websites as soon as possible. The HQ will be open for signing on and off and collecting and returning your race numbers only. Toilets are available at HQ but only for one person at a time and are not to be used as a changing facility.

**Please bring your own safety pins (enough for arm & back numbers), hand sanitiser and a pen.**
