On behalf of the club and from myself personally can I thank all those who made the event possible. Special thanks to Ian Myers for his work on the use of Webscorer so that you can all see your finish times via your smart phones once you get back to the HQ or parked up car. It makes up, in part, for the lack of a result board.

The use of Rattery Village Hall for the first time showed it to be an excellent facility. All being well we shall be back again for the rest of the club's open TT on the S4 course.

I know the lanes to and from the A38 are "interesting" and a bit poorly surfaced. Going down to the A385 (straight on at Mill Cross) may provide a smoother if slightly longer route to the start line.

Enter now via the CTT Portal – Mark Sanders evening 25 on Wednesday 16th June, the WAJ Best Memorial 25 on Sunday 18th July and Ruth Babbage is the event sec for the Triple Trophy 25 on Sunday 8th August.

Thank you, riders for keeping in around the start area and well off the A38.

Congratulations to all who managed personal bests and commiserations to those who wished they had done so.

Finally a special award to the Weather Gods who somehow managed to fit in a dry, not too windy evening between the interminable rain and high winds.
