Welcome to the Farnham Road Club Team event including Four Ups, Two Ups, Tandems and Solo events. In earlier years the team event has attracted a modest number of teams. This year we are heavily oversubscribed which is good news for Time Trialling generally but a great shame that we have had to return a significant number of entries. It clearly shows that there is an appetite for riding on the H25/8 and we are exploring the possibility of running an extra event in August “middle markers” that will be open to the slowest 120 riders. We will advertise this through our website and the LWDC Facebook Page. I am sorry if you have not been accepted for this event.

Parking:

It is really important that we park carefully to avoid any nuisance for the local residents of Bentley. There are separate instructions included for parking at Bentley and please take careful note of these. In addition, we have organised additional parking at the **Jolly Farmer Public House in Blacknest GU34 4QD**. To ease the parking pressure in Bentley can the four-up team riders use the Pub car park if at all possible. Once parked you will need to ride the 2 miles to the Bentley Memorial Hall to sign on and collect your number and use the loos etc. It is then a five minute ride to the start so allow plenty of time. There is plenty of parking at the Pub so please use it. To ride from the Pub to the Bentley Memorial Hall. Leave the Pub car park and turn left at the crossroads it is then straight to the Bentley memorial Hall crossing the A31 over the bridge just before you reach the Bentley Memorial Hall.

After the event the four-up riders will return their number and sign out at the Bentley Memorial Hall before returning to your car at the Jolly Farmer. I have assured the publican that we will be gone before his customers arrive for their Sunday lunch so

please don't hang around unless you are treating yourself to a roast. If so, I will leave you to book this direct with the pub.

COVID PRECAUTIONS – PLEASE TAKE CAREFUL NOTE
