***THANKS***

To all who entered, especially the 58 who rode.

Conditions were fine and dry, with a warm NE wind of around 13mph that some riders found blustery and troublesome. It was quite variable and adversely affected some more than others, since half the finishers recorded a PB and the biggest improvement was over 16 minutes by Roxy Woodfield.

Although the Hardwick Gyrotory was very busy, traffic levels on the A40 DC between Abergavenny and Raglan varied between light and moderate.

There are separate PDF files for Results & Prizes, Overall Finish times, Team awards, VTTA Age-adjusted results, LTS Improvements, and a Scoreboard (results in order of starting).
