### Timekeepers

Tudor Thomas

Norman James

On behalf of myself and all at Merthyr Cycling Club, I would like to thank all riders for their participation in our recent open event. I am pleased to say that the event ran smoothly and I sincerely hope that everyone enjoyed the event and had a great day. I would like to apologise to everyone involved about the presence of cones on the course near Resolven roundabout and apologise for the inconvenience caused, as well as the increased danger posed by the obstruction. The presence of these cones was out of our control and we received no notification about their presence or any indication as to why they were there. Luckily, no incidents were reported and all riders made it back safely.

I would like to take this opportunity to thank all of the volunteers for giving up their time, without whom the event would not have been possible. I would also like to extend my thanks to timekeepers Tudor and Norman, who gave up arguably the nicest day of the year so far to officiate at the event. Last, but by no means least, I would like to give special thanks to Lewis Bevan of EC Cycles and both Robin Field and Martyn Heritage-Owen for their help, expertise and patience in helping to make this event happen.

I look forward to seeing you at our next event in July,

Thomas Few, event secretary.
