Route HQ to Start (5 mile!)

Total distance to start 4.7 miles. Allow plenty of time. The flag is where there are temporary 3-way traffic lights, which this version of the course avoids.

Leave the village hall carpark by the one-way system and

Turn LEFT into Churchway (heading North),

Almost immediately at the double mini-RAB Turn RIGHT (heading East) along Wood Ways for approximately 0.3 miles

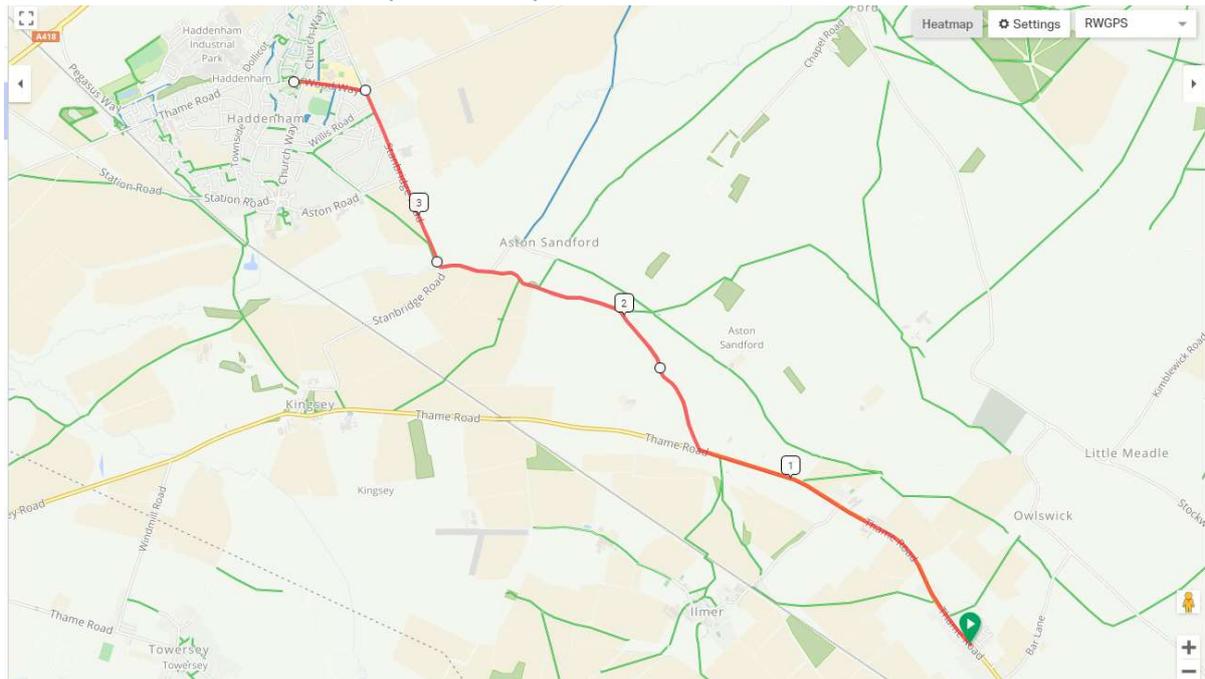

At the next junction you will be joining the Time Trial course.

Turn RIGHT into Stanbridge Road and proceed along the course for a short distance, passing the Haddenham Garden Centre.

After a total of 1.0 miles just after a small bridge, turn left and ride a further 1.4 miles and turn LEFT onto Thame Road A4129 (2.4 miles in total). Continue into Longwick (passing the Finish) and proceed to the 3-way temporary traffic lights on Longwick Road. (total 4.3 miles). Proceed on the main road through the traffic lights to the roundabout (Shell garage alongside). Take the 2nd exit and continue up the hill a further 0.2 miles to the start (total 4.7 miles). Dismount and walk across the road to the Start.

Ensure that your back light is working – no light no ride.

Route Finish to HQ (4 miles)

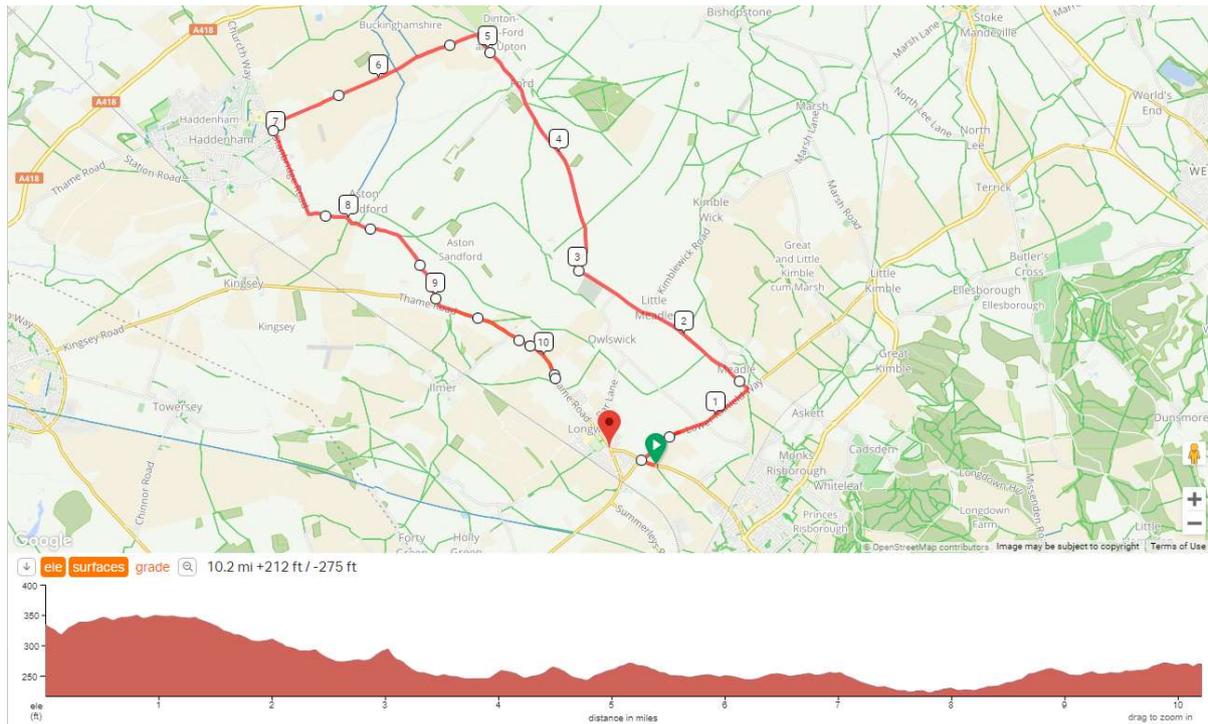

Total distance to finish 3.8 miles.

After passing the finish time turn LEFT into a cul-de-sac called Walkers Road (*What3words* /// *custodian.access.bathtubs*). It has a wide frontage so is easy to spot. Make a U-turn in the cul-de-sac, taking care, and stop at the T-junction at the exit.

Turn RIGHT and carefully retrace the course back to the HQ, bearing in mind that there will be on-coming riders on the course, riding the course in an anti-clockwise direct, some riding to the start and others competing at speed.

Take particular care when turning RIGHT off the main road, as there will be traffic approaching at speed in both directions. Dismount and walk across if this course of action is safer.
