RACE HQ

Haytor Lower Car Park, TQ13 9XT (Adjacent Haytor National Park Information Centre)

The Event Secretary will be set up in this public car park from 08:00; from where you should sign on, collect race numbers and allow 15 minutes to ride downhill to the start. It is envisaged there will be ample parking for all competitors in this car park. However, further parking is available in other public car parks at Haytor Rocks (middle and upper), Bovey Tracey and Widecombe.

COURSE DESCRIPTION: S20/HC:

START: ½ mile west of Bovey Tracey in Chapple Road, 400 yards South of the Edgemoor Hotel, level with gas valve marker (GR803776) & 190 feet above sea level.
Proceed north to crossroads where bear left towards Haytor, pass the 1/3 way point opposite house "Torling", cross cattle grid to pass 2/3 way point 30 yards short of double gates between "Bel Alp" signs. Continue to:

FINISH: at Western end of Haytor Rocks car park, 1280 feet above sea level (GR761773).

Distance = 3.125 miles

RIDERS PLEASE TAKE NOTE

DIRECTIONS TO START From HQ: Turn right on leaving the car park. Head down the B3387 to the Edgemoor Hotel, turn right at the crossroads onto Chapple Road. Proceed down hill for 400 yards.

PARKING: Please do not inconvenience other road users or nearby residents. There is a large car park at the finish area

Spectators, please do not follow competitors, block gateways or baulk riders when pulling off the road.

TOILETS: At HQ in Haytor lower car park and Station Road car park, Bovey Tracey.

NUMBERS: Disposable numbers to be collected at the event HQ. **Those riders competing in the later Widecombe will be issued with a different race number for the second event.**

After finishing riders should return down the hill to HQ to sign back in. Competitors must sign back in to avoid disqualification.

Riders be warned: Dangerous riding causes accidents and could endanger the future of the sport. Please ride with your head up at all times & observe the Highway Code. Do not "white line." You must Give way or Stop when required. Always observe CTT regulations. Mobile & stationary observers have been appointed & will act if riders are seen in contravention of CTT regulations or the Highway Code. In poor visibility lights should be fitted and conspicuous clothing worn.

Take care at the cattle grid, especially when descending, which can be slippery. Also be aware of pot-holes under trees making it difficult to pick out the damaged surface going downhill.
