Please park with due consideration for local residents. Strictly no cleated shoes in the hall.

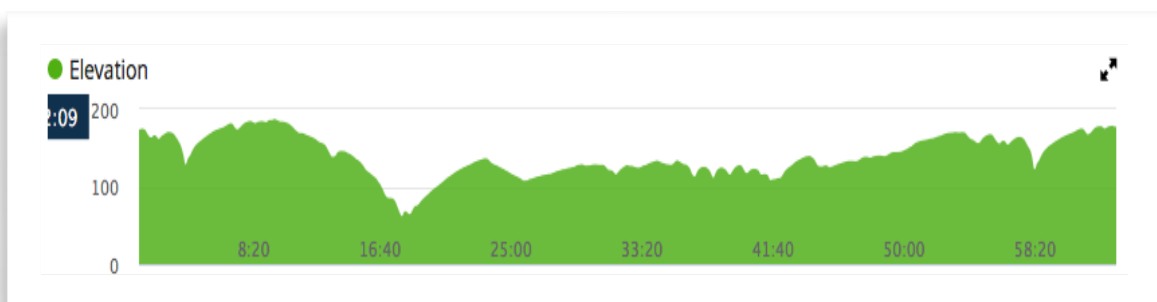

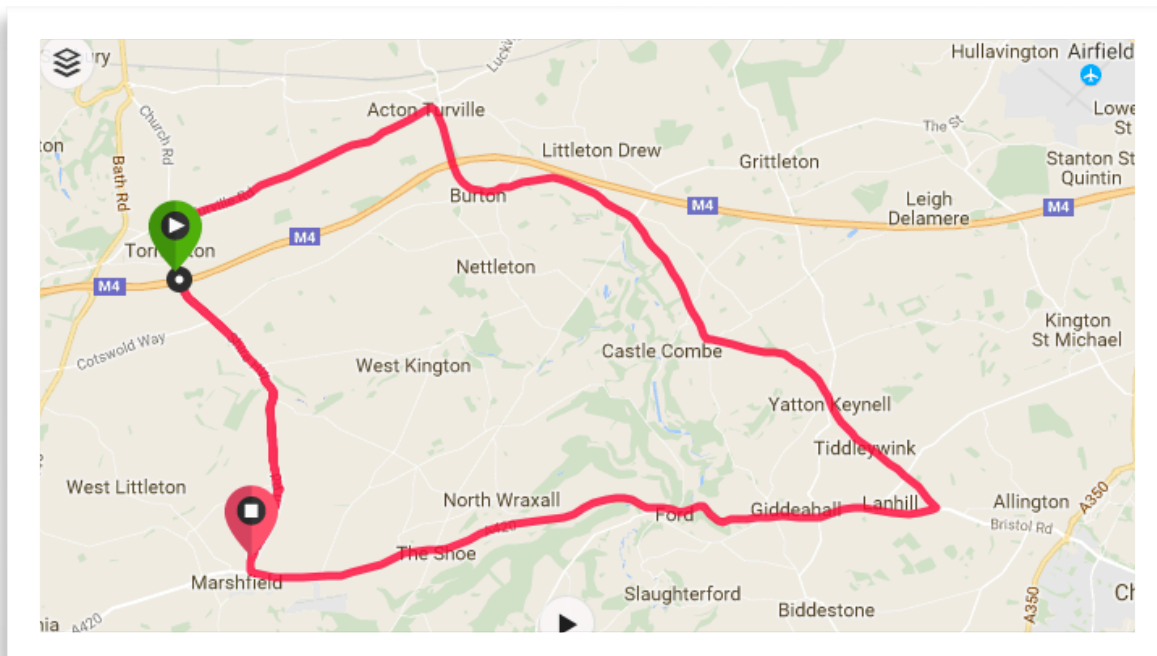

Directions from HQ to start: The U601 course start is 3 undulating miles north of Marshfield at the southern end of Tormarton Village, so please allow plenty of time to ride to the start. (The 21 minute estimate on the map is Googles not mine! I suggest you leave 15 minutes to be on the safe side)

Course: U601 (22.2 miles distance approx). Start at southern end of Tormarton village on road to Marshfield, a quarter of a mile north of the bridge over the M4. No U turns at the start area. Proceed south for approx. 3 miles, descending into and climbing out of Broadmead Brook Valley (Warning: fast descent, narrows, occasional debris on road) where turn left (marshal) onto A420.

Follow A420 for approx. 7 miles, where turn left (marshall) onto B4039. (Warning: Y shaped junction, be prepared to give way to the right, slow speed corner). Proceed past Castle Combe motor racing circuit, on through Burton (Warning: parked cars) and into Acton Turville. (16 miles approx.)

Turn left (caution, parked cars by shop) onto minor road for approx 2.7 miles and turn left into Tormarton at 19 miles approx. (Warning: parked cars and sharp left bend in village) Proceed through the village and back past the start. (Warning: take care past start). Follow the road towards Marshfield again through Broadmead Brook Valley to finish at the gates to the agricultural business just before the A420.

Shout out your number out at the finish. Swap number for a hot drink in HQ and please remember to sign out (mandatory CTT regulation).

Marshfield Crossroads - Left turn onto A420 (3 miles approx.)

Left turn A420 onto B4039 - (Warning - Y shaped junction, be prepared to give way from right) (10 miles approx.)

Acton Turville – Left turn onto Tormarton Rd (Warning – parked cars by shop just after left turn) (16 miles approx.)

Left turn into Tormarton Village (Warning – parked cars in village, sharp bends) (19 miles approx.)

WTTA - Western Time Trial Association.

This event is part of the WTTA Hardrider Series. To take part in the series your club needs to be affiliated to the WTTA Hardriders or you will need to join as an individual. The WTTA affiliation fee of £15 is due any time between 1st October and 31st March 2022 and is open to all West DC clubs. Individuals from clubs in other districts can affiliate as private members at £7 if they wish to enter the WTTA competitions. Full details are at: <http://www.wtta-hardriders.org.uk/>

Presentation of WTTA awards for 2021.

Given the ongoing reluctance of many people to gather in large groups due to the Covid situation the WTTA awards for 2021 will not be presented in a formal manner. Instead they will be handed out by WTTA officials to the winners on a one-to-one basis. A list of winners will be displayed near the sign-on sheet. Please check to see if your name appears on it, if it does contact one of the WTTA officials (Mary-Jane Hutchinson, Robert Hutchinson or Gordon Scott) who will hand over your award(s).

Flamme Rouge Photography.

Phil from Flamme Rouge Photography will be around to take photos of riders and spectators enjoying themselves on the day. For more details contact: Phillip Johnson. 07875390724, www.flammerougephotography.com

Safe riding, helmets and lights.

All competitors must obey the rules of the road. Dangerous riding will result in disqualification. Please keep your head up for a safe ride and may I remind you that all riders must wear a protective hard shell helmet. Also riders must have working front and rear light(s), either flashing or constant, which must be fitted to the bike in a position visible to road users and are active whilst the 'machine' is in use.

Additional requirements - Covid.

The CTT has provided guidance to race organisers to help them plan accordingly.

All competitors (and helpers/spectators) are encouraged to undertake a lateral flow test prior to attending the event. Clearly, if testing positive, they should not attend the event. Competitors (and helpers/spectators) should not attend if they feel ill in ANY way, especially if they or family members have any symptoms. CTT also advise that competitors are made aware that an elevated resting heart rate or exceptionally quick to react heart rate during warm up can suggest an underlying asymptomatic illness of ANY kind, and that they should DNS and leave immediately and not go to the start line if they feel this is the case. Any competitor where the above is relevant should obtain a Lateral Flow Test.

As an event that is held outdoors, the level of risk is low but be aware that there are still some risks and therefore please be sensitive to others. This is particularly the case at the HQ. As such, please follow any notices and use hand sanitiser where it is provided. The use of face coverings is not mandatory but is advised while using the village hall.

At this stage, I am not planning to do a prize presentation on the day this year. The results will be uploaded to the CTT website as soon as possible after the event and I will contact the prize winners to pass on their prizes. It is always great to see lots of riders and friends but, for obvious reasons this year, I would encourage riders (and friends) to limit their time inside the hall.

As usual tea/coffee and cakes will be available.

There will be different views about what organisers should or should not do. It is a difficult balance to strike, and I hope you understand. (Many thanks to Nick Gurmin from Severn RC for sharing his thoughts on how to handle COVID).

PRIZES: -	Female	Male	Vet	Team (3)
1st Place	£20	£20	£20	£30
2nd Place	£15	£15	£15	
3rd Place	£10	£10	£10	

One prize per rider, except in the case of the team award. In the event of a multiple claim the greater value prize will be awarded.

And one final point – ride safely, give the marshals and timekeepers a cheery wave, enjoy yourselves and come and join us for tea, cake in the hall afterwards. And please remember to return your number!

See you on the 27th,

Paul.

p.s. And did I mention the new CTT helmet & light regulations?
