## 10 Mile Time Trial on Sunday 27 March 2022

The link to the online result sheet for ESCA's 10 mile TT is: <https://resultsheet.co.uk/s/ecbaf434>

Using ResultSheet means times will be accessible on smart phones in near real time if all goes well. We have had riders get back to the HQ switch their phone on and pick up their time straight away, but there can be a time lag of 15 minutes or more.

Please save the link or use the QR code to access the leader board with the provisional results.

If anyone has a query about their time please bring it to our attention as soon as possible so the timekeepers can check if your query is valid. The time keepers will do an initial check at the HQ but double check times in the afternoon.
