Using ResultSheet means times will be accessible on smart phones in near real time if all goes well.

Please save the link or use the QR code below, which will be available at the sign in desk, to access the leader board with the provisional results.

If anyone has a query about their time please bring it to our attention as soon as possible so the timekeepers can check if your query is valid. The time keepers will do an initial check at the HQ but double check times in the afternoon before the provisional times are confirmed.
