

### Organiser's Notes

What a glorious afternoon!

I would just like to say a large thanks to all the people that made the event a great success. That's all the marshals, Timekeepers George Barker and Steve Brown, Clerk John Lancaster, Phil Hurt who did all the paper work, Sue for the result board, every one who made cakes and helped with the catering, The De Lacy Motor Club for allowing us to use their club house, and finally the riders who put up some great times and kept it a good safe event. Thanks again.

All prize monies will be in the post shortly.

Hope to see everyone again next year.
