COMPETITOR'S NOTES

CTT Regulation 17d - each competitor must sign on when collecting **and returning** their race numbers at the HQ. Any rider not signing off within a reasonable time of the finish of the event will be recorded as DNF.

Riders are required to wear **arm numbers** on the left upper arm during this event in addition to the large number on the lower back. They must be worn at the start of the event so as to be clearly visible to event officials and marshals. Riders should make every effort to continue to wear and display them correctly throughout the event. Any rider whose number is not visible to the timekeeper and checkers may not be given a finishing time. Make sure you shout your number at the finish, otherwise your time may not be recorded.

Distance from HQ to start is 3.8 miles so allow adequate time. Please use extreme caution riding on the A49 - you are on the course so please ride in single file. Due to increased traffic levels at Prees Island riders are reminded to use caution when entering the roundabout. Any rider observed riding in an unsafe manner or disregarding the Highway Code may face disciplinary action.

CTT Regulations 14(i), 14(j), 15: COMPULSORY LIGHTS & HELMETS

No competitor will be allowed to start without a working white front light and red rear light, either flashing or constant, and fitted to their machine in a position clearly visible to other road users. All competitors must wear a properly affixed helmet which must be of hard/soft shell construction.

No lights or no helmet = no ride. This is non-negotiable.

CTT Regulations 19a: Competitors must not use ANY audio equipment except prescribed hearing aids. A competitor in breach of this regulation will be disqualified. Competitors must not use a mobile phone while mounted on their machine.

Liverpool District Local Regulation: Riders must not make 'U' turns within sight of start and finish. Any rider observed making a 'U' turn in contravention of this regulation could be disqualified from the event. Any rider who makes repeated 'U' turns may be subject to disciplinary action.

COVID-19 SAFETY

Please adhere to the latest Government guidelines including social distancing requirements at all times. **Do not attend if you feel ill in any way or if a family member has any symptoms.**

Please arrive at the start no more than 3 minutes before your start time and keep at least one bike length away from the rider in front. There will be no pusher-off at the start so all riders must start with one foot on the ground.

Riders' finish times will not be available at the event but will be published online via the CTT and SCCA websites as soon as possible. The HQ will be open for signing on and off and collecting and returning your race numbers only. Toilets are available at HQ but only for one person at a time and are not to be used as a changing facility.
