COURSE – U370 Details

Important: Study the course! Onus is on the rider to stay on route.

Keep your heads up for a safe ride.

Start on the B3092 at entrance to the Frome Showground; proceed to the Blatchbridge roundabout (Rbt) on A361; take 3rd exit on the A361 to Pylon Rbt and take 1st exit (left turn); take 2nd exit at Commerce Park Rbt (straight over); take 3rd exit to turn at the Oldford Rbt (CARE ENTERING RBT - traffic from the right has priority) and retrace to Blatchbridge Rbt. Complete Blatchbridge-Oldford-Blatchbridge circuit TWICE more. After completing the THIRD circuit take 1st exit at Blatchbridge Rbt towards Maiden Bradley to finish opposite start.

When crossing the finish line, please shout your number to assist the timekeepers.

MichronTag Electronic Timing Tag – Trial Use

As a trial, there will be 20 transponders available at the HQ for willing volunteers to attach to their bicycle.

The MichronTag system integrates with the manual Michron6 timers (used by CTT timekeepers) to create a fully automatic system for timing Cycling Time Trials.

This system helps simplify TT timekeeping and would help ensure the sport's future continuation as more timekeepers are retiring.

Riders should report to the start timekeeper as normal with the transponder attached to the left fork blade as shown below.

The trial results from this event will be shared with CTT to help accredit the system for official use, this could eventually provide the HQ/riders with live finish times and course splits.

Important notes

CTT regulations now state all riders must have a working Front Light, Rear Light and Helmet. Failure to comply will result in disqualification

No warming up on the course after 1st rider has started.

Please sign the official start sheet at the HQ at least 30 minutes before your start. Allow 15 minutes to get from the HQ to the start.

It is the rider's responsibility to familiarise themselves with the course and keep track of number of Blatchbridge-Oldford-Blatchbridge circuits done.

A competitor shall not be preceded, accompanied, followed by or in anyway receive assistance from a motorised vehicle or its occupants.
