THANKS

To the 61 who entered, and the 50 who rode.

The Met Office seemed unable to tell us anything very helpful about Saturday afternoon between Abergavenny and Raglan. The wind would be light, perhaps from the North, or maybe from the East. Temperature would be 7 degrees, overcast but dry - significantly cooler than our 26th February event on the same course.

However, because it turned out fairly sunny, it was actually warmer and pleasanter than expected.

A variety of ages + genders + machines taking part made this an interesting test of the age-handicapping system (VTTA Standards). I think our age-corrected results show the current system works pretty well.

DNS's totalled 11 from an event with 61 competitors; several mentioned being unwell, of which 4 had tested positive for Covid. We wish them a quick recovery.

AND THANKS ESPECIALLY

to everyone who devoted their free time to make this a successful event:-
