## 'Ern Butler' 10-mile Open Time Trial

Promoted by Velo Club Long Eaton

### Foreword by Rob Wild:

I would to offer a big thank you to you all for making the event a safe one by following the instructions given on the morning and from within the start sheet. I cannot fault your enthusiasm to resume racing, despite the less than tropical temperatures. I hope you all gained something from the morning, it was great to see some familiar faces again, albeit hidden and muffled behind masks.

My biggest thanks goes to the team you saw maybe only for a fleeting moment, these events simply don't run without a small army of volunteers, luckily for me I had a great team on the day who all braved the chilly conditions.
