More details on ECCA website

Congratulations on some excellent rides on a windy day. In addition to thanking the many helpers and marshals who helped out on the day, many thanks to the timekeepers Trevor Pedley and Peter Smith; to Keith West – for the results' board and for helping me to produce the start sheet and this result sheet; and for Annie Shuttleworth for the delicious teas, coffees and cakes.

I look forward to seeing you next year.

Dean Lubin

For full details of future ECCA events and results of past events and the season long competitions, go to www.easterncounties.org.uk where you will find this information plus lists of officials and member clubs. The website will always be up to date and should be your "go to" site for the latest information. You will also see details of The Bolton Fund which can provide financial assistance for riders in member clubs to achieve certain cycling ambitions.

If your club is not affiliated and is within one of our relevant districts why not affiliate. Not only do we promote a comprehensive time trials programme but we also have road races, circuit races and a grass track meeting. Full details are on the website. For those worried about the marshalling requirements note that the duties reflect rider participation and that we now pay each marshal £20 towards their expenses.
