For full details of future ECCA events and results of past events and the season long competitions, go to [www.easterncounties.org.uk](http://www.easterncounties.org.uk) where you will find this information plus lists of officials and member clubs. The website will always be up to date and should be your "go to" site for the latest information. You will also see details of The Bolton Fund which can provide financial assistance for riders in member clubs to achieve certain cycling ambitions.

If your club is not affiliated and is within one of our relevant districts why not affiliate. Not only do we promote a comprehensive time trials programme but we also have road races, circuit races and a grass track meeting and our collection of wonderful trophies is extensive. Full details are on the website.

For those worried about the marshalling requirements note that the duties reflect rider participation and that we now pay each marshal £20 towards their expenses. With many of the smaller clubs finding it difficult to promote races because of the lack of helpers, the ECCA offers a solution by promoting many races which only require a club to provide a small number of marshals throughout the year. It would be a shame to lose those races because clubs and their members are unwilling to help.

I would like to thank the following who helped make this event happen

The two timekeepers **Trevor Pedley** and **Peter Smith** who answered my late call to time the event

**Keith West** for entering and displaying the Provisional Results

Members of the following clubs who helped at the event – **Ciclos Uno, Ford C.C., Elysium Kalas Race Team, Glendene C.C., Shaftesbury C.C., Shorter Rochford R.T. and Verulam C.C.**

**This final result is different from the provisional result on the day because two of the road bike entries needed to be moved from the road bike results to the TT results as their helmets did not meet the new 2024 Road Bike regulations.**

The CTT Entry System now stores separate PB's for TT Bikes, Road Bikes and Tricycles. Have a look at your profile for details. However it would appear that organizers when downloading the entries only get the PB's for TT Bikes even if you choose to enter on a Road Bike. That might explain why Road Bike riders in this event saw the wrong PB on the start sheet. The matter has been brought to the notice of CTT but it might take some time to rectify.
