Well done to all riders for battling some stiff crosswinds, and thank you all for supporting the event. A new women's course record for Sarah Storey, and an impressive overall winning time from Simon Wilson in those conditions, just 3 seconds over the course record – if only that helmet visor hadn't fallen off...

Many thanks to my team of helpers and officials for giving up their Saturday afternoon.

Prize winners listed below – **please contact me with details for a bank transfer.**
