Thank you to all the marshals, time keepers and riders for making this a special event for everyone. Time trailists like records and this may well be a record for the number of participants in this event but we will have to wait for someone to discover how true that is. However, what is certain is that both the men's and women's records were broken today. The women's record was previously set 2 years ago by Lizzie Banks in 7:37 but, today, Rebecca Richardson came and took it down to **7:34** which is a supreme testament to Rebecca's hard work in this discipline. Shortly after that, Ed Laverack came within 3 seconds of Andrew Feather's record, also set in 2019, leaving Tom Bell to take the course's record down another 26 seconds to **5:27**, a result which is an absolutely fantastic reward for Tom's dedication to his performance.
