## OFFICIAL RESULT

This is the official result for our time trial event, held on the R10/17 course on July 31<sup>st</sup> 2021 and promoted for and on behalf of Cycling Time Trials under their rules and regulations.

## THANK YOU

Thank you for supporting us at our 10-mile event this weekend. I'm aware that the traffic conditions on the M4 and A465 were quite a challenge on the day, so well done to everyone who made it to the start line on time. It was great to meet with you and share some stories about how the season was working out. Several of you reported excellent results on the day, including some lifetime PBs and plenty of course records and seasonal bests. But most of all, thank you for riding safely and getting back to the HQ without incident.

Thanks also to our timekeepers: Phyl & Terry Harradine at the start; Robin & Frances Field at the finish. Thanks again to the VCC members and their families who gave up their free time to provide a safe and welcoming event for everyone. To all of you, CHAPEAU, without you there would be no event.

All the best for the remainder of your 2021 season; we may see you at our 25-mile event on August 22<sup>nd</sup>.

*Simon Kinsey*

## AWARDS

Judging by your feedback on the day, our prize structure seems to have been a popular innovation. It was our way of giving everyone a chance of winning something, right throughout the field and it seems to have achieved that. Congrats to all the winners -- we'll be in touch to distribute the prizes.

## AND FINALLY

You can find some photos from the event [here](#). Sorry, but it wasn't possible to capture everyone. Feel free to download and use any that you find useful. We have a couple more events that may interest you this season. In three weeks' time we'll be on the R25/7 course near Usk for a 25-mile event; then on October 3<sup>rd</sup> we have a pair of season-ending hill climb events on the slopes of upper Rhondda. And we promise, if we're allowed to resume catering for these events then our famous boiled eggs will be back on the menu!

Until the next time, stay safe.
