Points league, 1 of 4, 10 mile Time Trial

Sunday 26 May 2024

Newmarket Cycling and Triathlon Club would like to thank timekeepers Tim and Wally Groves for helping to ensure such smooth running of the event. The event would also not be possible without volunteers from the club, and we thank Rob Speers, Judy Brown, Sheila Trotter Shead, David Cheshire, Dave Worrall, Rupert Wace, Dave Goodwin, and Richard Newell. We also had support from the 1st Bottisham Scouts executive committee, with Linda Jones and Morven and Alastair Langdon helping to make sure we all had plenty of coffee and cake!

Despite the overnight rain threatening to derail things (when first inspecting the course at 0700 it looked like a cancellation was on the cards), we had a good morning of racing, with some fast times despite a challenging wind that wasn't offering much help. Highlights include Laura Davies who came very close to Hayley Simmonds' course record, and 18 year old Hugh Aubrey who had an excellent ride, finishing second and helping Cambridge take the team prize.

Thanks to everyone who raced and wasn't put off by the forecast - 42 starters out of 50 entries was excellent.

The points series is now up and running in the ResultSheet app:
