

Chippenham & District Wheelers Hardriders

Sunday 3 March 2024 - Course U601C

Promoted for and on behalf of Cycling Time Trials under their Rules and Regulations

Results Sheet

Dear Riders,

Many thanks again for entering the **Chippenham & District Wheelers Hardriders** and for the positive feedback we received on the event. It was a shame that we had to shorten the course due to flooding and roadworks – and then the last minute change to the start due to ice, but I was pleased that we were still able to put on the event. Of course, it did mean that you missed out riding up Shire Hill twice, but the sun shone and it was dry. There is always next year...

Congratulations to everyone who rode and to our prize winners. Being a new (hopefully not to be repeated) course you all set a PB and set course records in your age groups!

Thanks are due to the many people who gave up their time before, during and after the event to help make it a success. We are most grateful for your support and expertise:

Start & Finish officials:

Sue Andrews (Timekeeping)

Simon Cox (Start official)

Andy Greatwood (Timekeeping)

Robbie Richardson (Finish official)

Marshalls:

Martin and Helen Priestly, James Eccleston

Special thanks to my co-organisers **Peter Iffland** and **Paul Freegard** for all their invaluable assistance before and on the day.

Full results below including prizewinners. Special mention also to Jo Meier, Chippenham Wheelers, who won the unofficial gravel bike classification. There is also a CTT news report on Facebook [CTT news report](#).

Photographs from the event are available from Keran at [NTF Performance Photography](#)

We hope you have a successful 2024 season and look forward to seeing you next time. Chippenham & District Wheeler's next Open event is on 19 May on the U41 course (10 flat miles). We should love to see you again!

If you have any feedback or ideas for improvements, please let me know.

Regards,

David
