## **Congratulations to all the Prize Winners and thank you all for taking part in the Finsbury Park CC Open 25.**

Conditions were very good for this year's Finsbury Park CC Open 25 with only a light breeze from the South, Southwest. A marked contrast to the weather on the day of the original event which was schedule for early August. The temperature was also far more favourable than the heat of the previous year's event which made it more comfortable for riders, marshals and the timekeepers who obviously have to sit out in whatever the conditions are for the entire event.

It was very pleasing to see such a good entry for the event with every place filled with a field of 150 riders. We also had several reserves which I'm glad to say all got a ride as those that couldn't rider for whatever reason were prompt in letting me know so we could allocate spaces accordingly. Of the 150 riders plus 12 reserves we had 100 finishers with 6 riders on a DNF due mainly to mechanicals. Out of the 100 finishers 42 recorded improvements on current times which is testament to the conditions on the day and the potential of the Cambridgeshire course. We were delighted again this year to have so many Women enter the event, with 17 entries on the line it was great news.

In the Men's event Matthew Smith (DRAGZERO) dominated the results board recording a time of 47:04. Matthew was followed in the results by a very close-run race between the next four finishers, Matt O'Brien (Loose Cannon's Conditioning), Liam Maybank (Twickenham CC), David Halliday (Team Bottrill) and Andrew Meilak (VeloRefined Rule 5) with only 33 seconds separating them.

In the Womens event congratulations go to Kate Allan (Team Bottrill) who returned in a phenomenal time of 50:10 beating her previous personal best by 22 secs and setting a new course record previously set by Kate the previous year. Kate wasn't the only one to put in a remarkable performance as she was followed by teammate Emily Martin in 52:05 and Hannah O'Brien (Loose Cannon's Conditioning) in 55:52.

The Vets standards event was a very close-run thing with only a +0:41 separating the top three with Kevin Tye (VeloRefined Rule 5) with a +20:48. He was very closely followed by teammate Andrew Meilak with +20:13, with Neil Mackley (...a3crg) close behind with a +20:07. Of the 42 finishers who achieved a personal bests Stu Wright (QN Racing) took honours with an improvement of 10 mins and 31 secs after a return to racing after a break from the scene. The contest for the top Team this year had a gap of just over 11 minutes between first and third place. In the end the finishing order was almost a replica of the previous year with Team Bottrill in first - 2:31:23, Loose Cannon's Conditioning - 2:36:06 and St Neots CC - 2:43:01, the winning team consisting again of David Halliday, Kate Allan and Keith Dorling.

Congratulations to all the winners. Above all however on behalf of the Finsbury Park CC we would like to thank all of you for taking part and for helping make the event a success. We hope to see you again next year.

### **Many thanks to all the following People who helped to make the event a Success.**

Gordon Hart and Vince Freeley for Timekeeping.

Finsbury Park CC members Helpers and Marshals: Terry Cakebread, Howard Johnson, Chris Stevens, Pat and Sid Lovatt, Dennis Karamitsios, John Winstanley, Andrew Yeo, Richard Pimlott and Neal Marrin. Vince Freeley for setting up all the Traffic Warning Signs on the day and finally Kevin Megan for all his help organising the Marshals and helpers. Thank you all.

Wishing you all a safe and successful season for what remains of this Year.
