Course F2C/25

Organiser: Chris Dyason (Cambridge CC) cdyason@hotmail.com 07970-093019

Timekeepers: Tim and Wally Groves, Martyn Anderson

Thanks go to Tim, Wally and Martyn for timing the event and to Sue Rogers who was spotting numbers and calling through results. With riders passing the finish twice before actually finishing,, this was always going to be difficult and that certainly proved to be the case. We were, of course, lucky to have an event at all as there was another weekend lane closure on the approach to Caxton Gibbet so this was the first use of the new F2C/25 which may be what we have to use for at least the next two years while the new road is built.

With 151 starts the helpers had a long day on duty: over 3 hours standing by the roadside for all the marshals. Members, family and friends of Cambridge CC turned out to make the event possible: Nick Jackson (sign-on and standing in for me while I rode), Bob Watson & Dean Sheppard (start officials and pushing), Colin Lizieri & Stuart Tait (Cambourne south), Andy Grant and Dave Yarham (Cambourne north), Bruce Williams, Manuel Nunez, Ronny Errmann & Peter Borowski (Maddingley), Chris Owen (sign-out & numbers after his ride), Sue Rogers (as mentioned above) and Paula Dyason (running the cakes and cuppas, including a yummy sponge cake from Ann Shuttleworth). A great team effort. £144:02 was donated for refreshments and will go to the two local air ambulance services – thank you.

Congratulations to the prize-winners and to all those who improved their current personal bests. It was a shame the three young guns at the end of the field were all unable to ride so their showdown with Matt Smith didn't happen, though John Wingfield was less than a minute behind him. Another stunning performance by Kate Allan placed her 8th overall and 5 minutes ahead of 2nd place Louise Robinson. Mark Vowells headed the results on AAT, defying the rule that trikes can't go round roundabouts.

No accidents or incidents during the event, always a relief for event organisers, and for once no abusive messages to me from motorists though I think the marshals received a few verbal comments.

For future reference, please remember to shout your number when crossing the finish line – this is really helpful to timekeepers, especially on a course like this one where the finish is passed more than once.

Over the page is a list of all the money prize winners: 24 in total. As we operate the 'one rider, one prize' system it's worth checking the list even if you don't think you won anything. **MONEY PRIZEWINNERS – PLEASE EMAIL BANK DETAILS TO ME AND I WILL MAKE ONLINE PAYMENTS.**

Prize winners: (adjusted for one rider, one prize, highest value, excl. team)
