Firstly, thank you to all the riders for supporting this event, which is now in its 9th year. A stiff wind in affected all riders but at least everyone stayed dry despite some ominous looking clouds. Thank you all also for riding safely - it makes life for the organiser less stressful!

The Renny Stirling Memorial Trophy was won by Peter Hurry for the first time with a winning time of 38.22. Congratulations Peter.

Unfortunately, we only had one female entrant this year, making it difficult to hold a 'best female' category with only one competing rider. Similarly with age category prizes, we instead introduced a separate road bike category. This inaugural category was narrowly won by a single second over Andy Kennedy by David Webster, who reported after completing the course in 42.07 that his time matched last years' effort when he was riding a TT bike thus proving that this course is about the rider, not the bike.

Congratulations to all the winners, we hope you all enjoyed the event, and we look forward to welcoming you all back in the spring of 2025.
