

STRETTFORD WHEELERS CYCLING CLUB

RESULTS OF OPEN 10 MILE TIME TRIAL

Promoted for and on behalf of Cycling Time Trials under their Rules and Regulations

On course J4/20, Saturday 26th March 2022

Event Secretary: Graeme McCulloch, 51 Newgate Road, Sale, Cheshire, M33 4JJ

Timekeepers: Start – Bob Norton Finish – Martin Jackson

Thank you for entering our event. For those that did participate on the day, we got good weather and a bit of warmth in the air; not bad at all for March.

As with many attempts to run an event, it was not without its challenges: coronavirus (and other ailments) hit myself and a few other club members midweek necessitating a quick re-organisation of healthy marshals and officials attending HQ. Then with motorway closures, there was last-minute traffic chaos in the vicinity! But you all got there, all got around the course safely and without (reported) incident. Thanks again!

So, a big thank-you from me to Ian Fielding and Phil Lawton for grabbing the reigns and holding fort on the day at HQ and with signage duties. Despite a number of club members absent on holiday (enjoying the rain in Spain?) enough bodies turned out to see us through the day, just! Thanks also go to our Timekeepers and to Clare Logan (Macc Wh) for jumping into action for us too. And of course, a big thank-you to our marshals, HQ admin and our catering team, Cathie Bracegirdle and Jean Holt.

My apologies for not having a Results Screen: in all the last-minute re-organisation, I forgot to dig out my projection screen, so that didn't make it to HQ. However, thanks to the technology of WhatsApp, I was able to monitor the results remotely and mirror those displayed at HQ. And no timer printout problems, so Martin's data has been returned to me and the times checked promptly.

So, the full results for the whole field are publish with the CTT website. The category winners are listed below. As it seems with other local TTs, we had a lower-than-expected field, so the overall event income is down and sadly, this has had to be reflected in the prize levels awarded. Hopefully we can be back to a bigger entry field for our September 25 and in future years. Cheques will be in the post, ASAP...
