Thanks to everyone who attended Wadebridge Coasters third open time trial event. Our last one was back in 2019 with the CR broken by Sam Perry, Manchester Wheelers recording a time of 21:48 which has now been bettered by 1 second by Gabe Dellar of Southampton University Road Cycling Club. Grace Reynolds also from Southampton University Road Cycling Club also produced a CR for a female.

Well done to the 52 riders who took to the start line in reasonably good conditions but a strong wind at times. Thanks to the 7 riders who sent their apologies. A massive thank you to all of the Timekeepers, Race Marshalls and event support crew. You all did a fantastic job assisting the riders and cheering them on. I was also very impressed with 'PARTY CORNER'. Thanks to Mike for putting all the race signage out. Thanks to our event photographers out on the course, capturing the riders brilliantly. Thanks to Laura and the Headquarters team who handled the administration of the event. Making sure riders were assisted with numbers and sign on. All riders were given a medal when they signed back in, thanks to Gary at The Shoe Boy for producing all these medals. And to Tara & Lisa who had the very important job of keeping the riders & event team fed and watered, thank you ladies. Thank you to Sally & Nigel of St Eval Community Centre & The Dragon Pub for providing us with excellent HQ and Parking. Also to Andy at Kernow Chocolate for the use of their car park for over flow as well. Thanks to all the Wadebridge Coasters who helped put this event together and gave up their time to help make it a great success.

Finally I want to say a massive thank you to our event sponsor Nick Keat of MAGICSHINE for generously donating lights for prizes. He also got on his road bike and did his first ever 10 mile time trial, recording a blistering time of 22.59!!

Thanks, Damian
