E33/10

22 JUNE 2024

Promoted for and on behalf of Cycling Time Trials under  
their rules and regulations

## Points league, 2 of 4, 10 mile Time Trial

Saturday 22 June 2024

Newmarket Cycling and Triathlon Club would like to thank timekeepers Tim Groves and Richard Newell for helping to ensure such smooth running of the event. The event would also not be possible without volunteers from the club, and we thank Rob Speers, Graham Brown, David Cheshire, Rupert Wace, and Marion Denby. We also again had support from the 1st Bottisham Scouts executive committee, with Linda Jones and Morven Langdon helping to make sure we all had plenty of coffee and cake!

An excellent morning of racing saw 38 solo riders and four 2-up teams take to the start, with a helping wind for the outward leg making for reasonably fast conditions. Piotr Zulawski finished in 19:39, taking 15 seconds off the old course record, and led a dominant Cambridge CC team, taking the overall, team and fastest womens road bike prizes. Karen Aylen from Maldon and District was the fastest female TT bike, and Michael Stimson from Shaftesbury CC was a clear winner in the open road bike with a very impressive 22:33.

Josh Arksey was fastest of the promoting club riders in 23:03 (road bike).

Brian Jones from Kimroy Photography was out on course taking pictures and these can be viewed/purchased from the Kimroy website: <https://tiny.one/KimroyPhotography>

The points series is now up and running in the ResultSheet app:

Due to a calendar change, we will need to postpone round 3, and will try to find a late season date to run it.

Round 4 is on Saturday 24th August.
