Thank you all for coming to today's event and making it another Fantastic Hill climb!

Congratulations to all of you for finishing what is a brutal hill but in absolutely perfect (if a bit cold) conditions!

Harley Widdowson got within 7 seconds of the Juvenile course record and with another year left in his category can he break it next year?

Thanks to all the volunteers out on the course today, all were members or friends of the Rutland CC and without them we could not have put on the hill climb!

A special thanks to Dom Watts and Toby Wilson for helping in the run up to the event and Andy Nichols who's timing spreadsheet made everything so much easier and gave us Live results which only a few years ago we did not think was possible without bits of paper being brought down the hill.

Thanks to the Timekeepers, CTT are crying out for more so if you fancy giving it a go speak to your local district!
