Well from the extreme of heat last year to the extremes of rain this year we certainly like to keep you on your toes. Resilience and perseverance are absolutely key to finishing an event like this and all our finishers this yearly certainly showed that!

Thanks to everyone who came to help this year it was a particular struggle to get enough volunteers this year so we can't thank those of you who came to help enough. Without you it would be impossible to have the event. Thanks to all those who continue to support the event financially too. A particular mention to the family of John Taylor, who many of you will know as an avid supporter of 24 hour events, who sadly passed away recently. There were many generous donations in his memory and we hope that they will be able to help support the event to keep going for years to come.

Yours in sport
Jon

Look forward to seeing you all at the 2023 event on
Saturday 22nd & Sunday 23rd July 2023

Future of the Mersey Roads 24

Unfortunately, the Mersey Roads Cub no longer has enough members to maintain this event to our high standards. The level of work required is becoming unmanageable by our current team.

We are happy to organise the event in 2023 but we are hoping that we can recruit 3 people to be co-organisers for the event. The idea would be to split the work required between these people with our support. Passing on our experience and knowledge to help them. If we can do this, we would be happy to continue to help for another year or 2 until the new team are happy and confident for us to take more of a back seat.

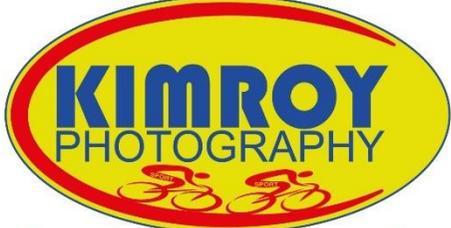

We are hoping to find people able to look to the future of the 24 and save the event from demise as has happened to all other 24s around the country. If you are up for getting involved please contact us.

If we are unable to recruit this team then unfortunately it is looking extremely likely that 2023 will be the final Mersey Roads 24 Hour.

Hope to have a Women's Team photo again to put here next year!
