Congratulations to all award winners who gained a good 'plus' on a warm afternoon, but with a bit of a north breeze across them.

I was grateful for your patience when I had to delay the start by an hour and ten minutes, while I sorted out the three sets of traffic lights which had appeared on the course, associated with building man-holes in the grass verge at the side of the road. This was made more difficult by the builders being East European. At last after many visits to the sites I persuaded them to move the traffic lights and cones to the grass verge so the race could take place.

A thank you to all riders who entered the event and to the Time Keepers, VTTA members who marshalled and the many Godric CC members who helped at the HQ and with the marshalling.

Special thanks to the Godric Tea Lady, also to John and Connie Tapper who managed the Reslut Board.

As can be seen from the results 6 veterans rode who were not members of the VTTA, which is a pity as it still only costs £10 for a year's subscription. Members can win VTTA Medals to remind themselves of their efforts.

I am disappointed with this year's entry of only 24 riders, which is about half the field size of previous seasons. We chose a date this year so there were no local event clashes. Is it because veterans prefer the E2 type courses and do not want to support friendly single carriageway courses?

*In addition to helping with the Clays roundabout turn I had time to take some photos. Awkward with one hand out to the left, but not impossible!  
A selection is to be found here <https://www.facebook.com/media/set/?set=oa.10156679809658768&type=3>*

*Perhaps you would like to supply a copy of that link to riders in case (as is common) they would like to see themselves in action. I am not sure if everyone can look at Facebook if they haven't joined, but the link may be useful.*
