**Timekeepers/Recorder** – Phil Booth (Medway Velo Club), Amanda and Dave Mackey (Medway Velo Club)

**Stewards /Marshals**–Steven Smith, Mike Stanley, Matt Nunn, Nigel Wharton, Nathan Delaney, Bill Stacey, Spencer Stacey, Bob Giles (PMR). Thank you to all the marshals who volunteered their time, and also to Sally Smith for the report.

Thank you to everyone who rode and attended, this was the first post lockdown open event in Kent and all appeared to go smoothly, and all of the various new requirements were met.

Chris Fennell of the Independent Pedaler dominated the field completing the course in an incredible 18mins 11secs some 90 seconds ahead of his brother Nic Fennell of Thanet RC who returned a time of 19mins 44secs. The third step on the podium was filled by Neil Harris of Southborough and District Wheelers who also broke the 20 minute mark with a ride of 19min 49secs.

The competition in the ladies competition was just as fierce and the only lady in the field to duck under the 23 minute mark was Lisa Davis of Trainsharp with 22mins 58secs. Hot on her heels and one to watch for the future was 13-year-old Carys Lloyd of VCL taking 2nd overall and winning the girls junior competition. The VCL colours were to make a second showing on the women's podium with 16-year-old Amber Junker Brameld getting out and back in 23mins 55secs.

Several riders opted to ride the course on road bikes rather than the time trial bikes and though included in the full results they had their own prize category also. The men's event was won by Irfan Zaman of Bigfoot CC who rode a 21min 7sec closely followed by Neil Lauder of Artic Aircon RT in 21min 15secs. In the ladies road bike event Grace Dent of Project 51 took the win in 24mins 51secs with Tracey Wilkinson Begg of TWB On Time RT in 27mins 42secs.

Well done to all those who achieved a PB, improved LTS, or a time they were happy with.

Please note Late starts include a penalty which is the equivalent of the time difference between allocated start time and reporting to the start timekeeper. This is in line with guidance note 7 which is available on the CTT website.

Photos from the event can be seen and purchased from <http://www.mikesavagephotography.co.uk/>

Medway Velo's plans for 2021 are already underway, in a normal year we run an open 10 in May on the Q10/24 Grain course, and a 50 in this August slot on the Romney Marsh Q50/11 course. We also promote a grass track event. It would be great to see some of you at these events.

Best wishes for the remainder of the season.
