Thank you all for supporting our return to the fast P881 course on the smooth tarmac of the A3, and we hope you all enjoyed the night as much as we did.

Conditions were reasonable, with a pleasant temperature and light breeze. There was talk of it not being a super fast evening, however many of you didn't let that stop you from achieving PBs. Congratulations to Faye Faber who set a new Women's course record with an excellent time of 20:26, making her visit to the mainland worthwhile.

The real competition on the night was for the team places, with only three seconds separating the top three teams!

We enjoyed catching up with you all at the event, and the live results provided some good talking points over coffee back at HQ. We hope to see you all at another event soon, and there are just a few days left to enter our event on 14 July 2021.

Our thanks go to all of those who helped on the evening, we could not do this without you.
