REPORT and AWARDS for the TA EAST JACK COVINGTON 25

Firstly, a BIG thank you to all The Marshals and Timekeepers who make our event possible.

They were Timekeepers Frida, Ian and assistant Alan, John, Lee, David, Martin (TA), Rob, Jamie and Jemma.

HQ was manned by Peter (TA) and Stan

It was a chilly morning to stand at a roundabout, so well done to Lee and David who cycled from Walthamstow to Stump X, and then home again. Also to Alan, who got cold, wet and miserable helping me with the signage on the Saturday, and to John for doing the runaround with Marshals kit and signs.

Thankfully the rain dried up in the small hours and the channel I cut on the flood area after Audley End worked, so we could run a safe event. The E1 was its normal Hard in All Directions mood, so well done to Mark Vowells for a '6' on the trike, and to Sid Charlton for the Handicap prize. If Lez had stayed at the Hut and sampled Fridas' pre-race Spag Bol, what might he have achieved.

We did have a lovely session at the Hut, with Sid Charlton, Martin Badham and Peter Martin joining Frida, Ian, Alan, Stan and myself for a convivial Supper, for which many thanks to Frida, and a relatively early night before the Race. And Brunch was had afterwards.

I was so pleased, in these Covid times, and after 2 cancelled events, to hear the timekeeper go

See you all, and more, next year.
