### Ladies and Gents

Can I just say a big thank you for riding our event and apologies for the very short notice of the change of HQ as the issues that arose happened at approx. 11:30 on Saturday morning? However we made it and managed the event so very late in the year following its cancellation due to Covid in June.

To run a weekend set of time trials is can I say it interesting as the first event is OK especially as its PM you have time to do things but the next event being early makes life interesting. Putting out signs this morning in the pitch black with the old lorry thundering by and a few birds tweeting to keep you company makes you think why am I doing that this then you realise how much you love the sport. However it also makes you think how much you rely on other peoples help as well.

Therefore I would like to say a huge thanks to both time keepers Andy and Dennis along with their helpers Sue Gould and John Williams. Again to the two sets of marshals and I do hope I don't forget anyone as follows for the 10, Ray Pollard, Dan and Sam Cox, Stuart Nutty Edwards, Angie Simpson and Damon Payne.

Sunday 25, Damon Payne, Ben Easton, Nassen Hada, Mark German, Gavin Sutherland, Peter Crease, Stuart Nutty Edwards and Dean and Doug Ward. As you can see a cast of many to all I am much appreciated.

Last but not least to Rosemary my wife who despite everything still manages to cook, come out and support these events – Thank you.

Next Season we will be back in our usual and much warmer slot in June and I hope to see you all again then.
