Race report

No post-race presentation, so.....

- Thank you all so much for taking part in the event! A smidgen warm on course I hear?
- Most importantly, the rider who crashed at the finish is ok. I saw him flying through the air and was very worried.....but he's made of extremely tough stuff. Also, I can confirm his bike is ok (a Dolan frame in case you're wondering...and now in desperate need of new bar tape).
- Course record in the men's section!!! 19:03 beats Connor Swift's record of 19:06 - amazing ride by Ben Turner!! Adam Duggleby was also fantastic (19:38) – with Neal Parkin and Keith Ainsworth sub-21 as well. A different breed.
- A nice sub 22-and-a-half ride by Ian Richardson! Still impressive despite the error on the initial result sheet :)
- A good win for Beth Grogan in the women's section, with Jo Corbett not too far behind. Amanda Dean picking up the third-place position with a nice ride.
- Prize winners – please message me (richard.lunt@firstactuarial.co.uk / 07472 241488) with your Paypal Friends and Family details – or bank account details – and I will line your virtual palms with virtual silver...and Nick Latimer gets my promise that I will pay him the money I owe him when I pay everyone else (worst....organiser.....eva :/).
- Dave Harbon was snapping on course. His work is amazing – I imagine the pics will be posted on the link below. There are links to the pics he took at the 25 event we ran on there as well if you want to ogle.

- Obviously we couldn't deal with timing queries at the event. I've tried to check the finish TK sheet and think it's ok – it's at the back of this document in case anyone does want to challenge a time that has been allocated. The finish TK will not reset his stopwatch for a few days in case there are any challenges.
- Thank you for taking part in our event!

From all at Rossington Wheelers.
