RESULTS SHEET

Saturday, April 17th, 2021. Course K33/10D

Thank you to all of the marshals from SCC for giving up their time to help run the race. We were fortunate to have the spring sunshine and temperatures approaching 15-16 deg, with light winds. Congratulations to all our winners. We had a new men's course record set by Richard and a close fought battle among the Vets with top places separated by a matter of seconds.
