My thanks go out to the team of many volunteers from across the North Group and their friends who all contributed to the organisation of this event. I am sure their efforts were appreciated by those competing. The presentation team of Mike Penrice (Veteran editor & the VTTA representative for this event) and Andrew Simpkins (VTTA Chairman) are also thanked for their work in delivering the presentation of medals in a timely manner,

Note: All photographs taken throughout the event and during the presentation are available from Brian at Kimroy Photography, (<http://www.kimroy-photography.co.uk>)

With the normal warm weather and slight wind that is generally experienced in the North, comments and feedback from riders identified the smooth surface, especially the lack of potholes and the general safety of the course as being most welcoming.

As this is the first time a 15 mile time trial has been organized on these new roads (the old A1), Stephen Ayres now holds the course record.

Thank you to the riders who entered and competed on the day.

Gavin Russell  
Event Organiser
