30 Mile Time Trial

Course Q30/3

Ham Street – Brooklands – Cloverleaf – Brooklands – Ham Street

VTTA Kent Group Championships, BBAR & ECCA BAR Counting Event

Promoted for and on behalf of Cycling Time Trials under their Rules and Regulations

Sunday 24th April 2022 07:00

Well done to all the riders who turned up and completed what turned out to be a shortened event (24.69 miles)

When doing the risk assessment and putting out the signs this morning I found the level crossing closed for maintenance works between Brenzett roundabout (RAB) and Brooklands RAB.

To ensure a ride was possible we missed out that leg. Moving the start or finish was not possible this morning.

Thanks from me to my group of helpers, without you we would not be able to do events like this, and many thankyou's to you from the riders.

Start time keeper Chris Burrows, start official and pusher off Bob Giles, Andy McCall on the left turn, Dick Claxton, Mark Amon and Vicky Norton at Brenzett RAB, a very enthusiastic Don Dewar and Mick Claydon at Cloverleaf RAB, Alec Mayes on the pedestrian crossing, Bob Burden and Stewart King at Cloverleaf RAB, Dave Mastin and Andy McCall sorting out times at the finish.

Not forgetting Colin Inett who went to help out at Brenzett and Paul Griffiths who helped back at the Pavilion as their RAB at Brooklands was not used.

Bob Giles doubled up and did the results board for us in the Pavillion.

It was a fine morning, sunny, about 8 deg. C with an ever increasing north, north easterly breeze.

From a small field of 30 we only had 6 non-starters and 1 DNF. Thoughts from us all for David Greenwood who punctured at the top of the course.

Many riders commented that it was a block headwind on the leg from Brenzett to the turn at Cloverleaf. It did make for a quick leg from Cloverleaf back to Brenzett. Nick Fennell said it's the fastest leg he has ever had on this course.

Back at Hamstreet Pavilion there were DIY refreshments and a selection of homemade cakes that went down well with the riders and helpers.

Thanks to Tracy Henderson and me for the cakes.

This Veteran Time Trial Association (Kent) event did not disappoint for some riders. Awards were presented to the riders and expenses to the helpers to some generous applause from those present. (If you did not collect your award/expenses please contact me and I will transfer it to you)

Mark Hill (VeloRefined Rule 5) was fastest Kent veteran on age standard and fastest male veteran on actual time with a 55:38.
