Time Keepers. Richard Foster with Tony Gee Clerking. Sandra Burrows with Steve Burrows Steward.

Marshals and Helpers. Members and Friends of City Road Club Hull to whom I am very grateful.

Well that was certainly an eventful day. Panic stations after a call from Pete Fielding-Smith, with three hours to go, that lights and roadworks had materialised on the course! No chance of being cleared by night so what was plan B? Only practical way was to shorten the course to 8+ miles. Not ideal but no other way at such short notice.

Signs out with modified Start and Finish. HQ sorted and ready to go.

Thanks to Steve and Sandra Burrows for sorting a second finish after a grumpy local complained about our TKs stood on the verge outside his house.

Conditions were ideal and, had we been able to run a 10 miler, would have seen some cracking times with the backwind on the longer return leg but 8.1ish miles it had to be.

The atmosphere in the HQ was great post event. Perhaps we should shorten events more often!

I have contacted CTT so your times should not appear as PBs for a 10 Miler....Sorry!

A SPECIAL THANKS TO YOU ALL FOR RAISING THE SUM OF £205 THROUGH DONATIONS, CONTRIBUTIONS FOR REFRESHMENTS AND SURPLUS MONIES FROM THE EVENT. THIS WILL ALL BE DONATED TO MACMILLAN CANCER SUPPORT IN MEMORY OF OUR CHAIRMANS WIFE LORRAINE FOLLOWING HER SAD LOSS TO CANCER ONLY A COUPLE OF WEEKS AGO!

THANK YOU ALL FROM MIKE.
