THANK YOU

I have to start this results sheet by thanking all of those people that made the event possible. I must admit that my excitement of having a closed road and 131 riders turned into trepidation on the day when the scale of the event dawned on me!

I first need to thank 7 people who gave up hours of their time to maintain the road closure and to keep all of the riders safe. These people are not members of Chesterfield Coureurs, but they turned up and stood out in the cold to give directions to the many motorists who clearly couldn't read or understand the road closure signs! There were some 'difficult' members of the public, but these were dealt with politely and in good humour. So my heartfelt thanks to **Ian Clarke, Eamonn Cox, Toby Wilson, Alex Deck, Steve Gibson, Jo Myhill and Lucy Myhill.**

Thanks to **Mark Rowbottom** who compromised his own warm up by standing at one of the road closure barriers.

Thanks to our two (longstanding) timekeepers **John Clarke** and **Phil Williams**, with Phil being ably assisted by **Martin Smith**. Thank you for your neat handwriting Martin!

I know that many of you enjoyed the cakes and, especially, the hot drinks which were crucial on such a cold day. So thank you to **Hazel Smith, Kat Jones** and **Michelle Oldman** for feeding and watering about 200 people in the confines of a tent perched on the top of a windy hill, and also to **Kate Kennedy** and **Amy Cook** for baking cakes.

Thanks to **Ali Smith** for pushing off and also to **Joe Cook** and **Steve and Lindsay Clarke** for all putting in a big shift.

Finally thanks to my co-organiser **Guy Cook** for all of his efforts in obtaining signs, setting up the HQ area, sorting out sponsorship and for keeping the Beeley hill climb going for 25 years.

Just two complaints.....can I ask that if you come back next year that you PLEASE park ONLY in the designated areas. For us to continue having the road closure we MUST be able to maintain the flow of traffic across East Moor, but as some of you had parked along the road across from the finish this task was made difficult. Some of you were also spotted parking in Beeley village, and this cannot be repeated. For this event to continue we need the support of the local people – so PLEASE only park at the top of the hill.

Next year we will put out signs to clearly indicate where to park and we will have a system for getting clothing from the bottom to the top of the hill during the event; so you can ride down the climb in winter kit and leave it with the starter.

Secondly, during the race some riders descended very rapidly down the hill and they stayed on the left on a left-hand bend. This resulted in some competitors not being able to use the whole road during their race. So please remember that you need to descend to the start cautiously and that descending riders give way to the competitor coming up the hill. Thank you.

Thanks to all the riders for taking on Beeley Moor. It was a special year being the 25th running of the event, and we were thrilled that the road closure attracted an entry of 131. We are aware that there is still room for improvement with the event – so please come back next year when it will be even BETTER!

Last year I promised that I'd arrange for the wind to be more in the NW – which it was. Unfortunately this came at the expense of a chilly wind!

Congratulations to **Rebecca Richardson** who set a **new women's record**. With all due respect to Rebecca I expected Lizzie's record to stay on the shelf for some time, so for Rebecca to remove 12 seconds from Lizzie's time is an outstanding achievement.

The other record that was broken was the men's team record – so congratulations to **Messrs Clark, Cross and Nichols** of **B38/Cycles in Motion**. Not only did they update their own record, they also became the first trio from the same club to all record times under 9 minutes.

Well done to **Leon Wright** on not only setting the day's fastest time on his debut ride, but also for judging his effort to perfection! I suspect **Patrick Clark** will be wondering where he lost that 10th of a second! Leon's victory brought an end to **Adam Kenway's** run of three victories. I know that Adam will have been disappointed, but a true champion is humble in victory and gracious in defeat; and by that measure Adam will always be a champion of Beeley Moor.

After coming second last year, **Ewan Mackie** returned to take the junior title. On his current trajectory I can see him troubling the seniors very soon.

It was great to see so many juvenile competitors this year; in particular the large entry from **Holmfirth CC**. This is very encouraging for the future of the sport – just make sure that you all continue to enjoy riding your bikes!

Finally thank you to **Richard Thoday** for allowing himself to be persuaded to race up Beeley on his record-breaking penny farthing. I will never forget the sight of him coming over the brow of the hill and I can't think of a more perfect way to end a hill climb!

Many thanks to all the event sponsors and supporters for helping us to make the event such a success. Your support is greatly appreciated.
