Race Report

Thank you to everyone that entered the race, all the volunteers that gave up their time to make it run smoothly and the residents of Whitelow Lane. We again had nearly 100 riders aged from 7 to 70+, many of whom were racing for the first time. The wind wasn't favourable, but we still saw some incredible record-breaking rides and at least the forecast rain did not materialise.

Special thanks to local businesses that donated prizes: Veloviewer, Pedal Bike Repairs and GrowMeTrees. Please seek out and use their services and products if you can.

Photographers on the course include:

Kimroy – see gallery here:

Links to others will be on the 7Hills website and Instagram accounts (@7hillsc) asap.

Stand out rides include:

Joanna Brewis. First female vet and first female. Her amazing ride took 11 seconds of the previous course record and over 40 seconds off the previous vets record.

Maia Howell. Second female and 1st female under 16. She lowered the record for this category by 21 seconds, which was previously held by Lilja Raine, who herself set a record for the 18-22years espoirs category.

Isaac Oliver, last year's winner, beat his own junior course record and went 2 seconds faster than Andy Nichols' course record. This was only good enough for second on the night because Dan Taylor went even faster, taking 4 seconds off the course record.

Euan Adams won the tandem category even though his partner contributed hardly any of the effort.

A team award was invented this year to keep 7 Hills CC riders happy (Sturges, Greenway and Spencer) who won from Matlock CC (Proctor, McCristal, Brough) with Sheffield Youth Cycling Club (Nott, Alcock and Mumby) not far behind.
