

# CWCC Open Hillclimb 2019

22<sup>nd</sup> September 2019

Run for & on behalf of CTT under their rules & regulations

Cleveland Wheelers CC would like to thank all those who helped make this event a success – the riders, officials, marshals, “catering staff” and also the supporters who turn up to watch. We would also like to thank our sponsors, **The House Designerwear, Yarm** and also the **Fietsen Tempo** club for the Rob Hughes Memorial Shield.

The weather forecast proved to be reliably unreliable and the rain stayed away to provide a very fine morning for riding, even if it was slightly on the warm side for a hillclimb – we’re never happy.

Less than 10 seconds separated the top 3, the event being won by Nathan Smith of Wold Top The Edge RT, closely followed by Jacob Vezey of Harrogate Nova and Tom Garnett of Ilkley CC, a clean sweep for clubs outside of the Teesside area. It’s nice to see people willing to travel.

The female category, on the contrary, was a clean sweep for the two local clubs with Anabel Sill & Kate Sanderson of Cleveland Wheelers leading home Sophie Heighington of Stockton Wheelers.

A lot of good local representation in the Juvenile, Junior & Veteran categories, special mention going to Mark Snape who retained the Rob Hughes shield as fastest veteran. Full award list is given below.
