LITTLE MOUNTAIN TIME TRIAL RESULTS

**AN HISTORIC AND CLASSIC
CYCLE RACE**

**For and on behalf of Cycling Time Trials under
their rules and regulations**

Sunday 25 April 2021

Great Witley Worcestershire

Dear Riders,

Thank you for entering and competing in the Little Mountain Time Trial which has been running since 1948. The intention this year was to revert to the traditional 39.5mile course but unscheduled roadworks meant a late change to a course we had previously used in 2011. The revised course was slightly longer with 2 climbs of Stanford Bank and some fast technical descents rather than the more usual and quicker downhill coming off Bromyard Downs with a shorter but sharper climb of Ankerdine.

Despite current restrictions entries were good and there were over 60 riders in the road category. On a good day for racing, bright but not warm with a slight breeze Gerard Henry took first position in the Mens with a 1-47-46 ahead of Jacob Tipper and Alistair Ribbands. In the Women's event Rebecca Richardson just edged out Nicola Juniper by 18 seconds finishing in 1-59-18 with Celia Brown completing the podium. The fastest junior in the road bike section was Jude Chamberlain flying round in 1-57-34 but his father Roy Chamberlain took the family honours (for now) in a highly impressive 1-54-31. Next up were the paracyclists with David Murphy taking first place ahead of Graeme Church.

In the junior section Ben Bright put daylight between himself and his competitors with a rapid 1-42-11 showing great potential. His time would have smashed the junior record on the original course by several minutes. Sophie Heighton took the girl's showing great determination as she looks to complete the Classic Series. The women's race was a close fought affair with the podium all within a minute of each other but it was Francesca Hall edging out Megan Dickerson and Jessica Rhodes-Jones coming home in 1-57-56. The Vet's section saw Tim Wood (and sponsor of Midland Time trialling through Echelon Cycles) narrowly take the V40 prize beating Simon Adcook into second place by a handful of seconds. The V50 section was won by Beacon rider Simon Dighton, benefitting from having ridden this course or similar almost every year since 2006. In the V60 Mark Sanders romped home in 1-59-00 which was also enough to gain him maximum points in the Merlin Classic Handicap part of the series with Simon Dighton taking second place and Tim Wood completing the podium.

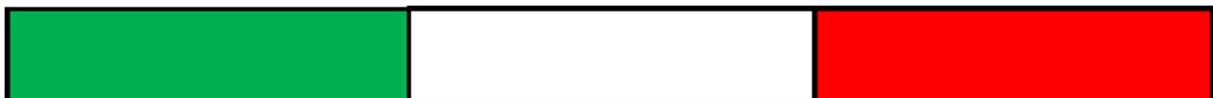

Finally the men set off at 9-45 with local rider Richard Bussell clearly enjoying racing on home turf & finishing in an amazing 1-37-08. I estimate this course is between 7-10 minutes longer than the more traditional route and the traditional course record would have been in severe danger to the AeroCoach (also a sponsor of both this event and other Midland time trials) fast man. Second and third places were taken by Thomas Day and David Fellows completing the podium. The combination of Richard Bussell, Xavier Disley and Andrew Robbins took the team prize for sponsor AeroCoach.

The club is pleased to make several prizes in addition to the CTT prizes and a full list is shown below. The Beacon prizes have been sent out by cheque and CTT have arranged bank transfers. In all the total prize fund for the day was almost £1,500.

Finally and very importantly this event cannot take place without the army of Beacon members and helpers who gladly volunteer their time in organising, timing, marshalling, signing on and results preparation. A huge thanks goes out to everyone involved - particularly in more difficult circumstances than normal.

We sincerely hope everyone enjoyed the event and we would be delighted to welcome you back next year when hopefully we can also offer some traditional hospitality and a prize ceremony. Have a great rest of the season and take care. Beacon RCC
