Timekeepers

Frida Wezel and Michael Keen

Not the best of weather conditions as can be seen by the times but thankfully a safe and incident free race.

Congratulations to all the award winners who will receive their medals later in the year and well done to those 28 riders who recorded a Personal Best.

With such a large field it meant that race officials gave up their entire Saturday afternoon to enable you to race and I would like to thank them all.

Frida Wezel and Michael Keen for timekeeping with Alan Hedges as recorder, Jamie Maidment, Southend Wheelers, looked after the signing on which is a lonely job in these Covid times, Phil Jones, Peterborough CC, made sure you kept your social distance and were well lit up. Steve Robinson, Team Salesengine, Sean Gray, Victoria CC, Sue and Will Rogers, Crest CC, Denese and Kevin Hallahan, Wisbech Wheelers, managed the Four Went Ways roundabout turn giving you encouragement and ensuring a safe turn. Chris Worsfold, API Metrow, looked after the required Traffic Count and Paul Hirst, Shaftesbury CC, did an amazing job with the signage. Thanks also to Mavis Kinsey who made sure the Village Hall provided a safe venue and met all the Covid requirements and to Rob Young who provided the gazebo for the signing out table.

I'm afraid there always has to be a downside but thankfully this one is not too serious. Normally everyone parks at the side of the road to West Wratting but this time the grass verges on the A1304 were also full of cars. Because Covid means you have to park nose to tail instead of diagonally, because you tend to travel individually rather than as a team and because it was such a large field it's not surprising that all the verges were used. But this did mean that visibility was much reduced for people entering and leaving the Veterinary Clinic and we received a complaint from the owner. The situation may not occur again but I urge you to always consider other road users when you park and make sure you don't block entrances or create blind spots. I said 'not too serious' and that's because the Clinic have tentatively suggested that we might be able to park in their field for future events.

Your Club has recently received the Annual Reports of the ECCA along with a list of the proposed events for 2021. After many years of promoting Dave Nock has retired and two other organizers have stepped down and we must thank them all for promoting many events for the ECCA. However, that means six of our usual events are in need of an organizer. Can you or one of your club mates take on one or more of the races? A few people contacted me at the race showing interest but were understandably concerned as to how much work would be involved. Committee members will always be available to offer advice and prospective organizers should be aware that the ECCA has a marshalling rota system so they don't have the worry of finding marshals. Although there has to be a named organizer that person doesn't have to do everything. Other club members can help with things like field layout, printing, etc, and the Association has guides to cover prizes and handicapping.

Please give this matter serious thought and if you want further information then please contact any Committee member or me, Keith West, on webmaster@easterncounties.org.uk.
