Organisers Comments

My sincere thanks to all those named above who turned out on the day to help run this Event; without this help these Events would never take place.

My thanks to you the Riders for entering, many of you having travelled from afar to do so. Thanks to those who apologised in advance for their impending absence; it all helps things run a little more smoothly on the day & make it another successful **Coventry CC Promotion**. The many comments received regarding the level of Marshalling & Signage were most appreciated.

Hopefully you all enjoyed the Event; I expect some of you were more pleased than others as there were a number of PB's amongst the times. We look forward to receiving your entries once again for our 2022 promotions.
