*Special award from the President of the SCCU of £20 to Ben Cousins, for coming second in the event on a Road Bike at the age of 15 – and impressing us all with the ride.

I am interested in feedback on the HQ from riders, especially from those familiar with the usual HQ at Dial Post. Was this a better HQ, being on the course, or is the distance to/from start & finish more of an issue?

From my perspective as organiser, I enjoyed watching you all whizzing past the HQ all morning. Thoughts?

I have a jacket left with the timekeeper & then not collected from the HQ, but don't know who it belongs to.
