Thanks to all you riders for helping to make the 2022 Bill Philbrook Memorial 25 mile TT another success, the number of entries may have been disappointing but after not holding the event for the last two years due to the pandemic it was great to be back.

Wigmore CC apologise for the mix up with the vets prizes during the prize giving ceremony after the event and will award the recipients of the prizes within the next few days.

The weather was relatively kind following many days of cold northerly breeze that had finally dropped with the leg from Thannington roundabout to Ashford into a gentle headwind.

Congratulations Mark Hill, a regular rider of the Bill Philbrook and previous member of the winning team. Mark not only won the event but was also the fastest vet on age standard.

Congratulations also go to Martin Kober (Abellio - SFA Racing Team) and Chris Jones (Bynea Cycling Club) for filling the other podium spaces, Chris was also the third fastest vet on age standard.

Stephen Wilkinson (TWB - On Time Race Team) was the second fastest vet on age standard and finished equal fourth with Neil Harrigan (Gemini BC) who finished with a superb time for a road bike.

Rebecca Wilson (Rye & District Wheelers CC) may have been the only lady but her age standard time was only a few seconds off taking third in that competition.

The host club won the team prize for the first time in many years with Keith Walker, new member Ryan Cottis who was competing on a road bike and Phil Appleby.

Keith also won the Bill Philbrook cup that is held by the fastest member of the Wigmore CC each year.

As always, a big thank you to all of the timekeepers, marshals and supporters who helped to ensure everything went ahead safely and smoothly.

The spread of cakes was truly impressive this year, a big thank you to the Philbrook family who helped to ensure not only the cakes but all the roles on the day were covered and continue to maintain the association between Bill Philbrook and Wigmore Cycling Club.
