I'll put this at the top in the hope that some people read it!

Firstly, many thanks to all the helpers and timekeepers who made this event a success. Without them, the riders wouldn't have any events to ride. Please do bear in mind when entering events that we are reliant on marshals and so offering to help in even one or two events a year may make the difference between it continuing or not being able to be run! It doesn't look like the calendar will support another of the same event later in the year but we will definitely be back next year.

On that note, CTT Manchester (specifically MBC and myself) are running the National 25 across 3rd and 4th August – so this is effectively two events on consecutive days. Women and Juniors on the afternoon of Saturday 3rd August and Open category on the morning of Sunday 4th August. Its important that we show that we can run a great, high-quality event.

For this, I need lots of helpers and I'm very short of them at the moment. Ive created an online form where I can gather potential names and contact details so I have a pool of people that I can speak to nearer the time. This is committing as yet but its showing willingness!

Im hoping that people who want to ride one event will perhaps help in the other. If you can help, please do put down your name as soon as possible .
