Firstly a huge thanks to all the members and friends of Rutland CC who baked cakes and turned out on the day to help. Events can't happen without volunteers, and I am hugely grateful to anyone that is prepared to give up their time to enable us to have our fun. I would urge everybody out there that races to make sure they put a bit back by marshalling or organising.

A special mention to Gavin Russell from Cleveland Coureurs, who missed his start due to traffic and instead helped out making tea and coffee all afternoon. In return I'll plug is "come & try it" events on the Croft Motor Racing circuit. Last one is Wednesday 21st August. Safe, traffic-free racing for all ages.

Conditions were good, and there were a few fantastic rides. Hayden Allen's winning 19:48 is the second fastest ever time at Hatfield, I believe. Course record is Simon Beldon's 19:35 from 2018. Eight sub-21 minute rides shows the depth of talent. In the road bike event, the ride of the day for me was Chris Melia's 24:20, which won the overall women's event as well, despite close competition from Maria Mulleady.

The junior / juvenile prizes were decided on time against current personal best. Henry Hollyman came out on top, beating his personal best by 1 minute 14 seconds with 23:42. 14-year old Kate Harwood was second, beating her pb by 3 seconds, with 31:09. Plenty more to come from both of them I'm sure. Special mention to 12-year old Evie Turner, who didn't pb, but finished with a fabulous 34:10. Full credit to Holmfirth CC for their proactive approach.

At the other end of the age spectrum, 89-year old Cyril Wynne continues to knock out mind-bogglingly impressive times. A 33-minute 10 at 89 years old is unbelievable.

I'm not 100% sure of the date of next year's event - possibly the Bank Holiday Saturday, but I hope to see you all there.
